

Baking Your Blog

with JBake and GitHub

Christopher J. Stehno ~ <http://stehno.com>

The Recipe

- What JBake is
- How to set it up
- What it can do
- How to do stuff with it
- How to make it your own

Let's get baking!

Now all we need is some milk

Christopher J. Stehno (chris@stehno.com): <http://stehno.com>

Baking with Groovy and GitHub blog post (available tomorrow morning):
